

STUDENT ADVISING WORKSHEET

For Doctorate Degree in American Indian Studies
Option C: Minor in Outside Department (Effective May 2, 2012)

The Ph.D. plan of study is a collaborative production of the student, their Faculty Advisor, and their faculty committee. The outline provided here indicates the **minimum** course requirements and their distribution for completion of Option C in the doctoral program. The Faculty Advisor and Committee in consultation with the student may determine the exact courses to be taken to prepare the student for their intended area of dissertation research. This worksheet is to be updated annually by the student and copied to the Faculty Advisor and to the AIS Graduate Program Coordinator.

STUDENT _____ ID# _____
ADVISOR _____

Worksheet Update: (write date on line) _____ Committee Members (4 minimum)
Major: _____
Minor (in or outside AIS): _____

Date Entered Ph.D. Program _____ Date(s) of prior degree(s) _____

LANGUAGE REQUIREMENT

How Met: _____

Date: _____ Language: _____

Distribution of Units for Doctoral Degree Option C 66 Units Total

- 6 Units of Required Courses: AIS697A Teaching Methods, and AIS 504A Fundamentals AIS (2 courses):
No waivers, transfers, or substitutions permitted
- 6 Units of Theory and Methodology courses taken outside AIS in the student's area of interest (2 courses; may include AIS 548)
- 15 Units in concentration area (5 courses)
- 6 Units in secondary areas of study (1 course in each of at least 2 other AIS areas—2 courses total; one course must be a Law & Policy course, unless the student is concentrating in Law & Policy)
- 9-15 Units for a Minor in another department
- 3-9 Units in electives
- 18 Dissertation Units

All coursework should be planned in consultation with the student's Major Advisor.

Audited courses and undergraduate courses used to fulfill the foreign language requirement may not be counted in the 66 Unit total.
